Academic Integrity Policy

Students are expected to abide by the academic integrity standards outlined in the official Academic Integrity policy. This policy document can be found in the student handbook and on the Office of Records and Registration website (<https://www.ashland.edu/administration/office-records-and-registration>).

HLC statement for online and hybrid courses

This course format consistently meets the same quality, assessment, learning outcomes, and requirements of the traditional semester offering of this course.

Academic Support Services

The Graduate, Online, and Adult Center for Academic Support (GOAS Advising) assists online and adult students throughout their academic journey from admission to program completion. The advising staff can assist students with degree planning, course registration, campus resources, academic success strategies, university policies, and procedures. For more information, visit their website at

<https://www.ashland.edu/administration/graduate-online-adult-center-academic-support>.

The AU Healthy Minds App

Students are encouraged to get the Ashland Healthy Mind app, available on Android and Apple devices. This app provides tips and tools for stress prevention and management, health services, meditation, calming media, anxiety reduction, and highlights the Ashland University and Community mental health related services.

Attendance Reporting

Students are required to participate in a course related activity/log in *within the first three days* of the start date of the course. Students may be administratively withdrawn from the course and/or may lose financial aid benefits if a qualifying activity has not occurred between the student and the course work or faculty within the first three days of the course. Simply logging into a course online via the Learning Management System (LMS) is not considered a qualifying activity.

Student non-participation during the first 8 days of a course may initiate the administrative course withdrawal process. Student non-participation, mid-course, for 14 consecutive days may also initiate the administrative course withdrawal process.

According to policies and procedures set forth by Ashland University's Department for Veterans' Services, AU will grant any service member requiring more than a 30-day leave a release from coursework. Contact the Office of Veterans' Services for more information regarding this process.

Bibliography (Learned Societies, Etc.)

Each thesis document will include appropriate bibliographic references.

Course Information

Welcome to the last phase of your MEd in Talent Development! Look over the syllabus and get to know the “Handbook for Graduate Theses and Capstones: Talent Development.” This course is very independent and individualized. You set up your own timeline and schedule. We check in with one another weekly on a Google spreadsheet and I offer weekly office hours to support you.

Your task is to research and write a literature review paper on a topic of interest to you. You could add a practical application component to your paper or do action research in your classroom and report on it, or do a research study with students via surveys, interviews, focus groups, or the like. I have a number of completed capstone projects and I have posted at least one on Blackboard, if you feel you need more examples let me know.

I will need a short project proposal from you by Week 4. See the Handbook for a list of 5 items to keep in mind as you write it. This can be brief and/or bulleted, but do write and organize professionally. Include any questions or support you know you will need from me at the end (make it #6) of your proposal. Submit this and any/all drafts of your paper to me via email.

APA Formatting:

You will want to purchase or borrow the 7th edition *Publication Manual of the American Psychological Association*. APA formatting for citations, references, tables, figures and appendices are strictly followed for this capstone paper.

Meetings:

I offer weekly office hours on Zoom for all of my students in all courses. See the link online to sign up for a time slot on Wednesdays, 4:00-6:30pm. I am happy to meet with you at another time or platform, email me to schedule that. Let me know if you would like to meet as a class – especially just after mid-semester – to go over APA.

Support Spreadsheet on Google:

~~There is a link on Blackboard to a Google spreadsheet for EDIS 781. This is the way we will do much of our support and check-ins throughout the semester as you work on your project. Please add an entry by **Sunday evening** every week throughout the semester – even if you have very little to report. In addition, please read one another’s entries and add comments to support each other. The impact of this kind of consistent support is very powerful. I might add prompts or things to think about throughout the semester. Share how you are choosing your topic, gathering research/literature, how the research is going, APA challenges and questions, challenges and joys, support you need, questions, etc.~~

Weekly support via email

Please email me each week by end of day Sunday to update me on your progress. This can be a simple check-in, letting me know how things are going, or you could email me portions of the paper to look over, or ask advice or pose questions for me.
