

EDIS 781/788

Fall, 2018

EDIS 781/788

There are no calendars or schedules for this course. You set up your own. Let me know if you need any assistance.

I will need a short project proposal, if you have not already done so. See p. 3 in the Handbook for a list of 5 items to keep in mind as you write it. This can be brief and/or bulleted, but do write and organize professionally. Include any questions or support you know you will need from me at the end (make it #6) of your proposal.

Meetings:

If you would like to meet individually periodically through the semester, please let me know. We can meet face to face or on Skype, Facetime or by phone. It's part of my job to support you through this process. Please do not be afraid to schedule a time to meet!

APA:

APA must be precise. I can help you with this, but I will not teach it to you. Use the support docs I provide on the Blackboard site for 781/788 and the Purdue OWL website. Get a copy of the APA 6<sup>th</sup> edition manual or a cheat sheet if you think it might be useful. Have a trusted friend who knows APA read it for you.

Email:

This is the way we will do much of our support and communication about your project. Let's check in via email throughout the semester every 3 weeks or so. You can email me first, or I'll email you. Tell me how your project is going, challenges, joys, support you need, questions, etc.

Week 1 By Sunday, September 16	Tell me what your project is, or you can be brainstorming ideas for your project if you don't have one yet. Tell me what kind of support you think you might need.
Week 4 By Sunday, October 7	A simple check-in with me via email (or we can meet) on how things are going. Tell me what kind of support you need.
Week 7 By Sunday, October 28	A simple check-in with me via email (or we can meet) on how things are going. Tell me what kind of support you need.
Week 10 By Sunday, November 18	I would be happy to look over your paper any time for APA or content support. Just let me know. We can meet if you like!
Week 12 By Friday, December 9	Have your paper in before the end of this week.
