REQUIREMENTS FOR INTERNSHIP:

There are useful support documents on Blackboard. The Letter for Districts is an explanation of the course and expectations, if one is needed. The Site Supervisor Letter is a more detailed letter that can be provided to the Site Supervisor. In addition, documents outlining the procedure for the Ohio Assessments for Educator exam and applying for the endorsement are available on Blackboard.

1. **Internship Log.** Ashland University requires a log of 90 hours for this Internship, which includes:
 - 50 or more hours contact with gifted individuals;
 - up to 15 hours compiling the Resource Notebook; and
 - the remainder of the hours, and up to 40 hours collaborating, preparing and planning for instruction, as long as these hours are focused on gifted education.
2. **Meeting 1.** The University Supervisor holds a Blackboard Collaborate session to review the assignments and requirements. Students may schedule their observation at this time or use the Wiki document on Blackboard.
3. **Internship Plan.** An Internship Plan is submitted includes an overview of the student population and context, as well as a reflection on how this impacts the graduate student’s teaching of the gifted and how gifted students are accommodated in their classroom. There is a template on Blackboard. Submit Internship Plan on Blackboard at least three days prior to University Supervisor Observation.
4. **Lesson Plan.** An Ashland University formatted Lesson Plan should be made. This includes learner profiles for five specific students who should be formally identified gifted. Fill out this form as completely as possible, especially including how you will differentiate for gifted students.
5. **University Supervisor Observation.** The University Supervisor observes the intern from two to three hours, completing the Teacher Observation Form for EDIS 796. The University

Supervisor sends the completed form to the Intern, who may request a meeting, phone, or online appointment to discuss the results. The Intern submits the University Supervisor Observation Form on Blackboard.

6. **Resource Notebook.** On the day of the University Supervisor Observation, the Resource Notebook is due. The graduate student should schedule at least 20 minutes during the observation visit to have one on one time with the University Supervisor to review the notebook. If this is impossible to schedule, other arrangements can be made to meet through Blackboard Collaborate, but making this part of the scheduled visit is preferred. See the folder on Blackboard for instructions.
7. **Site Supervisor Observation.** The graduate students chooses a Site Supervisor, this is usually a principal or coordinator, especially someone who has experience with gifted education. The Intern should use the Site Supervisor letter on Blackboard as an introduction and thank you. The Site Supervisor observes the Intern for at least 45 minutes and completes one Teacher Observation Form for EDIS 796, sending it to the Intern. If the graduate student is observed for contractual or TESOL purposes, the observation can be substituted provided it has a strong focus on the candidate's ability to accommodate for gifted populations. Submit the Site Supervisor Observation on Blackboard.
8. **Internship Reflection.** After the observation the graduate student writes a 500-600 word reflection essay on the experience, which includes a philosophy statement. Refer to the Reflection Paper Format document on Blackboard. Turn in Internship Reflection on Blackboard.
