Donna, Jennifer, Patricia and the Essex planning team,

Congratulations!!! The Martha Holden Jennings Foundation has awarded \$10,000 to Ashland University for Essex@Ashland 2021. For your records, I have attached a copy of the project narrative, budget, and superintendent's letter as submitted to the Foundation, with the completed Follow-up Form (Terms of Award) to release funds.

Note the award is less than our original ask. I will request feedback from the foundation as to why. Also, a final report to the Foundation is due 60 days after the event.

Shelley Rindfuss, our grants manager, will correspond with Jane Bauer to set up the proper account to receive funds when they are released.

Again, Congrats!

Sharon
