Re: *Annual Academic Mentor Award 2021-2022*

Dear Dr. Groman:

It is with great honor that I inform you that you have been nominated by an Ashland University student and selected by the Academic Affairs Committee of the Ashland University Board of Trustees to receive a 2021-2022 Academic Mentor Award.

This is a high honor, speaking to your unique contribution as an Ashland University faculty member. The relationships built between students and their mentors are not only a crucial component of student success during their time at Ashland University, but the lessons taught by our university mentors will serve our students throughout their lifetime. Your willingness to go above and beyond to guide our students is greatly appreciated and you deserve to be recognized.

We will recognize the recipients of the 2021-2022 Mentor Awards at the winter Board of Trustees lunch on Friday, January 28. Please save this date for now and a formal invitation will be sent to you.

Sincerely,

Dr. Amiel Jarstfer
Provost
