Good Afternoon!

If you are receiving this e-mail it means you have a meaningful relationship in some manner with either Judy Jackson May or Kristina LaVenia (or at least we thought it was significant!). We have book contract with Routledge and we are asking that you agree to review one manuscript as a member of our peer review board. They are Case Studies of 4000 or less words. We know that you are very busy, but you are on our list because you bring a dimension, discipline and expertise that we are seeking (sappy, but true). The manuscripts would land in your box by July 20 and we would need them to be completed by August 24, 2020.

Please find more details attached. For now we need to know if you are willing. If not, we will need to move on to some "lesser significant" personalities!

Thanks and take care,

Judy (and Kristina)
