Dr. Jennifer Groman:

I am writing to thank you for volunteering to help line up graduates (specifically those graduate students from the College of Education) at each of the last five Ashland University commencement ceremonies. As one of the graduation marshals the last few years, I have recruited faculty members to help with lining up the graduates and have appreciated your prompt, positive responses when I have asked if you would be willing to serve in this capacity.

Sincerely,

Dr. Christopher N. Swanson
Professor of Mathematics
Chair, Department of Mathematics and Computer Science
